

# KARNATAKA COLLEGE DIRECTORY 2026–27

Comprehensive UG & PG College, Course, Fee & Admission Guide

---

**Research edition • Verified-source master index**

Government • Government-aided • Private • Autonomous • Deemed • Universities •  
Professional institutions

**Coverage note:** This edition prioritizes verified institutional identity, affiliation, location, category and authoritative source trails. Because Karnataka's higher-education data is distributed across UGC, AICTE/VTU, RGUHS, universities and institution-specific portals, fields such as fees, intake, phone/email and current course lists are marked *Not verified* rather than guessed when a current authoritative value was not available.

Research cut-off: 9 September 2026

| <b>13. Data Quality, Sources &amp; Verification</b>    | —        |

## How to use this directory

Use the master index to filter mentally by district, university, institution type and academic category. For admission decisions, treat the institution's own 2026–27 notice and the relevant regulator/counselling authority as final. A source URL is included for each indexed record; the absence of a value is intentional and means the value was not sufficiently verified during this edition.

# 1. Karnataka Higher-Education Overview

Karnataka's higher-education ecosystem spans state and central universities, deemed/private universities, institutes of national importance, affiliated degree colleges, engineering institutions, health-science colleges and specialized institutions. UGC maintains the national university/HEI database, while AISHE publishes national higher-education reports and institution-level survey frameworks.

| Metric                               | This research edition                                                                                                    |
|--------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| Institutions indexed                 | 203                                                                                                                      |
| Districts covered in state framework | 31 current districts/administrative labels                                                                               |
| Institution categories               | Government, private, autonomous/affiliated, deemed, INI, state agricultural, health sciences                             |
| Primary verification sources         | UGC, RGUHS, Mangalore University, Bengaluru City University, IISc, NITK, MAHE, UAS Bengaluru, NIRF, AISHE, NTA/GATE/CLAT |
| 2026–27 freshness rule               | Use 2026–27 official notices where available; otherwise label the latest verified year                                   |

**Important:** The indexed total is not claimed as the absolute number of all colleges in Karnataka. It is the number of institutions successfully identified in the authoritative source set used for this edition.

## 2. District-wise Directory

| District         | Institutions indexed | Coverage note                                                                                 |
|------------------|----------------------|-----------------------------------------------------------------------------------------------|
| Bagalkote        | 0                    | No institution indexed in this edition; official district/university lists should be checked. |
| Ballari          | 3                    | Institutions identified in source set                                                         |
| Belagavi         | 9                    | Institutions identified in source set                                                         |
| Bengaluru Rural  | 7                    | Institutions identified in source set                                                         |

## 6. Engineering & Technology

51 engineering/technology-oriented institutions are indexed from the verified source set. The UGC autonomous list includes numerous VTU-affiliated engineering colleges; NIRF 2025 places NITK #17 in Engineering, IIIT-B #69, MSRIT #75, Christ #76, IIT Dharwad #77 and Jain #84 among ranked institutions shown in the 2025 table.

| Institution                                                  | District         | Affiliation                           | Source                       |

## 7. Medical & Health Sciences

RGUHS is the principal state health-sciences university used in this edition for medical, dental, Ayurveda, Unani, homeopathy, naturopathy, pharmacy, nursing, physiotherapy and allied-health affiliation. Its official institution framework lists these faculties and identifies MBBS, PG Diploma, MD/MS and super-specialty levels among medical education pathways.

| Institution                                                               | District         | Type                        | Category                     | Program level                              |

## 8. Arts, Commerce, Science, Management, Law & Computer Applications

The general-degree portion is anchored by official university affiliation lists. Mangalore University's published affiliated-college list, for example, includes colleges across Dakshina Kannada, Udupi and Kodagu, while its autonomous-college page identifies St. Aloysius College, St. Agnes College, SDM College and others as autonomous institutions.

| Institution                                                          | District         | Category          | University                       |

## 10. Fees, Scholarships & Financial Aid

No institution-level fee has been estimated in this edition when a current official fee schedule was not directly verified. This is deliberate: fees vary by quota, category, course, year and counselling authority. The directory therefore uses the label “Fee requires verification from institution/admission authority” for unverified values.

| Scheme / route                                | Use                                                        | Official portal                                                                                 | Note                                                                 |

| Karnataka SSP / Post-Matric Scholarship       | Karnataka state post-matric scholarship ecosystem          | <a href="https://ssp.postmatric.karnataka.gov.in/">https://ssp.postmatric.karnataka.gov.in/</a> | Eligibility and scheme availability vary by category and department. |
| Institutional scholarships                    | Merit, need-based, sports, alumni and program-specific aid | Institution website                                                                             | Verify current 2026–27 notification.                                 |
| Fee reimbursement / reserved-category support | SC/ST/OBC/EWS/minority and other eligible schemes          | State/central department + NSP/SSP                                                              | Eligibility is scheme-specific; do not assume automatic entitlement. |

## 11. Rankings / Notable Institutions

| Institution                                           | Category    | Year | Rank |
|-------------------------------------------------------|-------------|------|------|
| Indian Institute of Science (IISc)                    | Overall     | 2025 | 2    |
| Indian Institute of Science (IISc)                    | University  | 2025 | 1    |
| Manipal Academy of Higher Education                   | University  | 2025 | 3    |
| National Institute of Technology Karnataka, Surathkal | Engineering | 2025 | 17   |
| Indian Institute of Management Bangalore              | Management  | 2025 | 2    |
| National Law School of India University, Bengaluru    | Law         | 2025 | 1    |
| M.S. Ramaiah Institute of Technology                  | Engineering | 2025 | 75   |
| Christ University                                     | Engineering | 2025 | 76   |
| Indian Institute of Technology Dharwad                | Engineering | 2025 | 77   |
| Jain University, Bengaluru                            | Engineering | 2025 | 84   |

These are official NIRF rankings, not an independent “best college” ranking. NIRF scores and rank positions are year-specific.

## 12. Data Quality, Verification & Sources

### Data-quality labels

|                                      |                                                                                                                                                                                                            |
|--------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ■ Fully verified                     | Institution identity and a current authoritative source trail were directly confirmed. This does not mean every fee/seat/contact field is current.                                                         |
| ■ Partially verified                 | Institution and affiliation/category were found in an authoritative list, but one or more operational fields such as current course list, fees, intake or contacts require institution-level verification. |
| ■ Important information not verified | Used only when an important field could not be sufficiently supported. The present master index avoids inventing such fields.                                                                              |

### Primary sources used

| Source                    | Scope                                                        | URL                                                                                           |
|---------------------------|--------------------------------------------------------------|-----------------------------------------------------------------------------------------------|

| GATE 2026                 | Official GATE 2026 portal                                    | <a href="https://gate2026.iitg.ac.in/">https://gate2026.iitg.ac.in/</a>                       |
| Consortium of NLUs        | Official CLAT 2026 information                               | <a href="https://clat2026.consortiumofnlu.ac.in/">https://clat2026.consortiumofnlu.ac.in/</a> |

Source-date convention: web sources were checked during preparation on 9 September 2026. Where an official source contained a historical validity range or an older course/affiliation year, that date was not silently converted into a 2026–27 claim.

## 13. Important Disclaimer

College courses, fees, admission rules, seat intake, accreditation, rankings and contact information may change. This directory is intended for educational and informational purposes. Students should verify final admission, fee and eligibility information directly with the respective institution and relevant government/regulatory authority before making decisions.

### Quality-control policy

- Duplicates were consolidated at the institution-name level where the same institution appeared under an alternate/legacy name.
- Names and affiliations were retained from authoritative source listings rather than normalized into unverified spellings.
- Missing phone numbers, emails, fees and seat intakes were not fabricated.
- Current district labels include Bengaluru South in addition to Bengaluru Urban and Bengaluru Rural where the current district portal recognizes it.
- UGC autonomous status is treated as a status requiring re-check when the source validity period has expired or is not clearly current for 2026–27.
- Ranking claims use official NIRF 2025 results and are explicitly year-labelled.
- Placement statistics are not invented; no placement number is presented unless supported by a current official source in the research set.

Recommended next verification step for any applicant: open the institution's official admissions page, confirm the 2026–27 prospectus/fee notice, then cross-check the relevant regulator or counselling authority before payment.
